Dear family at and friends of Fellowship Chapel,

"Through the LORD's mercies we are not consumed, because His compassions fail not.  
They are new every morning; great is Your faithfulness.  
'The LORD is my portion', says my soul, 'therefore I hope in Him!'"  
Lamentations 3:22-24

How I praise God for His great faithfulness and give thanks to Him for you and the amazing work He is doing in building His church at the "Lighthouse by the Firehouse"!

This 1st Sunday of 2010 will be one of new beginnings and continuing courses. We will begin at 8:30 for prayer in the resource center. (Would you consider a new part of your Sunday in joining us for a half hour of reverence for God, repentance towards God, and request of God?) Then as we transition to "Discovery Time" at 9:30, we will continue our amazing opportunities for our 2/3's-Senior High downstairs in selected rooms. We also will be offering 4 adult electives beginning in January. I will be facilitating our elective on centering further discussion on Esther and special presentations. Ray Franckewtiz will continue the video series "The Jesus I Never Knew" but will be transitioning to "The Master Plan of Evangelism" on January 17th. Paul McAndrew will be continuing his journey thru the "Attributes of God", and finally, a new opportunity for young couples with or without children, led by Tim and Fon Canatella, kicks off this Sunday! I want to encourage each family and person to make a new investment in 2010 and join us in Discovery.

Finally, our "Family Worship" at 10:30 will include not only us partnering, praising, and praying together, but also a can't miss proclamation from Matthew 2:1-11, to refocus and renew us, we are calling "Worship Him". It will reveal "worship" in a fresh way and set our course for not only 2010 but for the decade!

If all that is not enough to be here for, do not miss our "Appreciation" luncheon for Ron and Lee Powell as they transition from serving on staff at Fellowship Chapel to Grace Ministries. It will follow our "Family Worship".

So, my dear saints, do not miss Sunday at Fellowship Chapel. You will be strengthened, encouraged, challenged, and changed.

I love you,  
Pastor Mike
